

GARFIELD GOLF RESULTS FOR WEEK ENDING SUNDAY 25/3/18

GARFIELD LADIES WIN BOWL EVENT

The heavens finally opened up on Saturday with a good soaking throughout the day. Enough in fact to cause a rescheduling of the day's event being the Top Town teams event. Our team from the Garfield ladies had a great result on Friday winning the Garfield Bowl which was played as a three person aggregate stable ford event. Best individual score for the day was Leesa Matthews with a score of 38 points just the one point to the better of another Garfield team member in Jeanette Mitchell. Making up the third member of the successful team was Kathy Hunter with a score of 35 points giving the home team a winning score of 110 points. There were a total of 33 ladies in the field which meant 11 teams of three took part for the day.

The final of the 2018 Summer Cup was played this week between Tolly Baharis and Elton Shipway and as previously predicted Baharis ground out a solid victory winning two holes up with the one to play. Thursdays single stable ford event attracted a field of 45 players with the overall scores being down compared to recent results. Best in for the day was Peter Fedorenko with a score of 38 points playing off his handicap of 19, one point in advance of Greg Wadeson and a further point to John Brown in third place. A Grade was a very keenly contested game with Terry Garratt breaking a long run of outs to win on a count back with a score of 37 points playing off his handicap of just 6. Also on the same score were Wally O'Hara and Imre Nagy whom finished second and third retrospectively. A score of 35 points or better to a count back was required to win a ball down the line. This week is the playing of the four round Easter Cup which is to be played from Friday thru Monday as single stable ford events. The winner is to be determined by the best two round aggregate score over the four days.
