

## GARFIELD GOLF RESULTS FOR WEEK ENDING SUNDAY 25/2/18

---

### PETER KING TOP GUN CHAMPION

It was a very warm and muggy start for Saturday's competitions which featured both the men's and ladies 2018 Top Gun Finals. A field of 19 did battle for the men's final with Peter King and previous winner Imre Nagy coming down the last with King holding his nerve the best to be crowned this year's champion. The ladies field of 9 teed off on the tenth hole at 100pm with Chris Caig doing the best and enough to take home the ladies title. For everyone else not engaged in these events it was a game of single stable ford. Sepp Krummenacher had a day out with a great score of 43 points playing off his handicap of 25 to take out victory for the C Grade event. Best in for the day for the major grade was Marcus Crossley with a winning score of 37 points playing off his handicap of 14. Greg Macklin won the B Grade event with a score of 41 points playing off his mark of 17. A great score of 39 points was required to win a ball down the line. A total of 21 players out of the field of 65 were able to play to their handicap or better. A field of 45 did battle on Thursday with the best score being recorded by a very much in form golfer, Graeme Martin with a score of 40 points just the one point in advance of Tony Power and a further point back to Nick Gaal in third place for the B Grade event. Charlie Barnes won the A Grade event with a score of 39 points playing off his mark of 16 whilst Mick Neylan and Peter Skinner finished tied for second a further two points back. Next week is the March Monthly Medal.

### RESULTS
